

ISAAC AND HIS ENQUIRY

https://youtu.be/_T8GNEmBEKQ

You have asked me what was the problem or the issues that cause some to leave the church meeting at Hill Park. Well as I am not a Church member I can only say what I have observed and noted and been told by those personally involved. The elders made a decision that relates to the Prosperity Gospel and some of its teaching. You will learn some of these false teachings in the enclosed videos. But I am not sure about all of their objections that those teachings and why some left the church.

There is so much error in the world among those naming the name of the Lord Jesus Christ that without a good understanding of the way and means of salvation as taught in the Bible namely, the doctrines of grace which distinguishes Arminianism from Calvinism you will be led to embrace many of those false teachings taught by those involved in the Prosperity Gospel and by the following. Ask the question:

Are Rick Warren, Hillsong, David Platt, Jesse Duplantis, And Jeff Durbin False Teachers?

Are the Bible Project, Matt Chandler, Steven Furtick, Paul Washer, and Joyce Meyer False Teachers?

I have identified some of these false teaching at Hill Park, in the past and have said very little until the Elders stepped in to resolve the issues. As I am not a church member I am privy to such discussions so I do not know exactly what the elders took issue with except it is to do with the prosperity gospel.

I knew these error were do yo a lack of understanding as to the basic teaching concerning the sovereignty of God and the doctrines of Grace. The being the very reason I sent you the assignment relating to The Canons Of Dort.

I am also not sure where the Church stand in relation to the doctrines of grace, as I have now seen their Articles of Faith and for that reason have recently asked to see their Trust Deed.

To my mind it is best to root out error by dealing with its roots and no simply chopping off the branches or leaves of the problem.

For this reason I wrote my book

Difficulties Associated with Articles of Religion among Particular Baptists. See enclosed.

I would like you to read the introduction to see if you think my reasoning's are realistic and understandable,
