Dear Sirs,

**Re : Trusteeship of the Bierton Chapel**

I would be grateful if you would give evidence of your lawful entitlement to act as the trustees for the Bier ton Church, founded in 1831.

The None Conformist Chapels Act 1844 deals with usage. However the Bierton Church was a listed Gospel Standard Cause, in 1981 by church consent. A period of only 22 years have lapsed since than and the Articles of Religion etc, for the Bierton Chapel are those contained in the Trust Deed dated, of 1831.

The membership and Alliance of the Bierton Church with the Gospel Standard list of chapels was in no way a deviation from its own position as contained in it's own Article of Religions, contained in the Trust Deed dated 1831.

It is unlawful to refer to any other Articles of religion, such as the Association of Strict Baptist, of which you are members, which do not pertain to the Bierton cause, unless stated and agreed by Church at Bierton.

I would be grateful of you would give Strict proof of your entitlement to act as the Bierton Church Trustees and please explain how you came to hold the Deeds to the Bierton Baptist Chapel.

I would like also to inform you that the Society of Strict and Particular Baptist still continues through my ministry.

We believe we are entitled, in law, to use the Bierton School room and its enlarged Chapel, as Mrs. Holloway, and myself, are two of the original seven members of the Bierton Cause and we were not consulted by Mr. King or Mr. Janes, our trustees, that you were to be appointed as new trustees.

As you will be aware an application to the Charities Commission will have to be made, upon any completion of sale, for a scheme of applying the proceeds of the sale of the chapel, and other funds associated with maintenance of the Chapel cy-press.

I trust this will assist you to make the right decision, if you are the lawful trustees, regarding my requests to us the Bierton Chapel for religious worship.

Yours in the name of the Lord Jesus Christ,

David Clarke
