Earlier we mentioned I mentioned that through my reading the Lucas Dangatan's library I came up with the solid foundation of the TULIP and you cut me short you said will expand on that later. Can we revitalize that. Yes show me the book but you saw a book that contains the information The five points of Calvinism what is the book called. Its called Inside the TULIP are five points the first one is total depravity. Would you like to mention that. Well I will do but can I just throw a little bit more light on this whole subject. You are the first person, in 30 years, that i have discovered that have I realized the truths of the gospel are contained in these tenets. In England there are very few that actually believed these doctrines. I came to believe these truths when I was very early converted, after about one year, and I was in the Pentecostal church in the Assemblies of God church in Aylesbury. I roamed from church to church a church which was a Strict and Particular Baptist Church in Bieron, near Aylesbury in Buckinghamshire his church was a little church with several old people but the ministers where were faithful they believed the Bible from cover to cover. Now it was strange to go there because they were out of date by about a hundred years but the fact is they preach the Bible and I was nurtured taught through them a gracious way of life. And I loved the times in the Strict Baptists Church in fact they appointed me to be a preacher teacher of the gospel in fact I was sent from the Bieron Strict And Particular Baptist Church , in 1983 and commissioned to go

wherever the Lord opened the door, and Lord has brought me here to the Philippines and you're telling me 30 years later you've discovered the sovereignty of God as pointed out in the five points of Calvinism in the TULIP so we can talk about that if you want.

Quickly let me just mention the five points Total Depravity, Unconditional Election, Limited Atonement, Irresistible Grace and Perseverance of the saints.

Oh that's T. U. L. I. P. Now what I found here in you New Bilibid Prison, there's so many Christian denominations. There is a range of them, Seventh Day Adventists, Jehovah Witnesses, there is a host, the born-again Catholic. Now it's only Reverend Lucas Dangaton Jr, . He is very strong on eternal salvation. Yeah this is his main teaching, once saved always saved. That is based upon the immutability of God and His will. If you accept that the rest of the flower blossoms. Yes, pastor Andy and I have now made a film. Pastor Andy, I said before our head to year he spent 17 years, in prison for drug dealing in marijuana. His testimony i in our book TROJAN WARRIORS, Testimony number 2 he's been in prison for 17 years . It a one hour lecture, I've condensed into 45 you can make it available to English and it's about 19 points of eternal security and can do a study and teachings are 55 we've condensed it into 19 points.

This tape will be available world wide
Andy Dolin

It is available now. Coming back to the point long as five tenets, do you

want me to address them one by one. Tell me the first point . It is Total Depravity. This maintains that as the result of Adam sin every Faculty of the human soul, body and mind is fallen. We need to be delivered from ourselves, which evolves the will. The will is in bondage to sin. We cannot choose Christ. We will not do Christ, unless Christ sets of free to choose him. Totally depraved fallen in every respect. That doesn't mean to say that we are the worst we could possibly be, but the whole gamut of sin is the result of every man being in Adam fallen under the wrath of God. We are diseased incurable apart from Christ.

Next one. Unconditional Election

God in His wisdom just manifest his love and glory chose to save some of Adam's race to salvation by Jesus Christ, unconditionally. It wasn't based upon what they could do, or what they are able to do, or whether whether they would have faith he shows, because he loved to save some. He set his love upon some, not the whole world but on some. Jacob have I loved Esau have I hated, that the purpose of God according to a election might stand.

People have do not teach these things today and argue and argue about it but the fact is God has spoken and God's Word teaches this. I'm a minister of the gospel.

Next one

Limited atonement. It means that those for whom Christ died and shed his blood and redeemed it is absolutely certain they shall be saved. When Jesus died on the cross it was once for all a never to be repeated sacrifice. His blood was shed to take away all sin, every sin of his elect. Christ died for the all the elect. The elect will be saved because he died for them. We don't know who the elect are. The elect are manifest when they have faith in Christ.

Thank you the fourth point irresistible grace. Irresistible expand on that,

When God calls a sinner, he works he wows his bride to himself, they cannot resist the call of God because God is omnipotent and gracious. God is gracious and he just makes the sinner Willing, he does it by graciously working in the hearts of men, by give him a new birth, winning him by love the love of Christ being shed abroad in a their heart and that they cannot help but love him when they discover what he's done with them.

They love him it is irresistible. The grace of God in this sense cannot be resisted. Men resist God of course they do but the born-again believers follow Christ irresistible out of love.

Very nice about Perseverance of the Saints

The fact is the saints will persevere to the end. Everyone that's born again unto God, every child of God born to the kingdom, will persevere. It doesn't matter what, they will enjoy the banquet. It doesn't know what Satan throws at them, it doesn't what trial they enter into and God will allow them to be tried. It is true concerning Abraham he was tried by God after 40 years after from the promised seed. God said concerning Abraham it please God. Abram believed God and it was counted unto him for righteousness. Unfortunately some of God's children, when they're tried they fail, they like the prodigal sons they go off into the dark, spend all the riches, all the goods but in the end because of the love of God He allows them to come to the end of themselves and brings them back into the fold, puts the ring on the finger the Robe of righteousness on them. They cannot be lost because God will save his elect come what may. The Bride of Christ is complete. None shall be lost none can pluck them out the Father's hand because Christ has loved them and died for them and they are eternally secure in Christ.

There's been a lot of debating. Now if you haven't got this conviction that you are eternally secure in the hands of Christ there's something wrong. Now a Christian in doubt is a Christian in misery.

I'm not in misery.

I'm telling you Michael because i believe the sovereignty God i will go through the world I don't care the world's against me I don't care if the devil's against me if I will stand alone for Christ. I will follow Christ. I don't care what happens Christ is my saviour. I have fallen into sin, I've gone into wretchedness and sin and forsaken my family. But I love my new wife now I love everything about but life but the fact is I will not forsake Christ ever again, by his grace, because he'd loved me so much and i'm empowered by this grace that God

I'm an evangelist because I believe God is sovereign. He will save if we preach the gospel. Them that say Calvinism destroys evangelism they do nor know what capitalism is.

Let's not use the word Calvinism rather or biblical ism let's talk about the Bible God's will is sovereign. God will save and it's a wonderful sight but

Jesus is the Christ the Son of the Living God.

This message is to the world.

David has been a Christian for 30 years and is telling you now, yeah on the words of Christ, if you're in his hands it is impossible for you to be lost.
