There are strange things happening in the professing Christian world.

This month February, 2023 the Bishops of the Church of England lead by the Archbishop of Canterbury Justine Welby are seeking to take the necessary steps to include the LGBT community and make Same Sex Marriages lawful, in the eyes of the Church of England, and it seems other united Christians groups such as the Baptists Union of Great Britain that permits a local Churches to make thier own decision about such matters. It is argued that the LGBT Community has been treated wrongly and apologies have been made by the Bishops, at the Press Conference in February.

These two Christian groups, the Church of England and the Baptists Union do not speak and represent all Christians.

It is the joint testimony of Christ Centred Churches of The Philippines Inc., David Clarke, and Lucas Dangaton, the senior pastor of New Bilibid Prison, Thological Institute, Philippines that fornicators, that is sex outside of marriage idolaters, adulterers the effeminate, and homosexuals with not inherit the kingdom of God.

We testify that we were such sinners and cannot throw stones at any of them who are still in their sins. You can read the testimonies of some of our former lives in Trojan Warror's.

The Lord Jesus Christ came into the world to save men from such and all manner sin, he died and rose again to save them and now when sinners are called by the gospel of Christ to follow him turn their backs on their sinful ways. It is not love to endorse homosexuality and support the practice and the best way to help them is to speak the gospel to them and direct them to the Lord Jesus Christ. The Apostle Paul wrote

I Corinthians 6:9-11

9 Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, 10 Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God. 11 And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

And we say therefore do not trust or believe those who teach otherwise. The Archbishop of Canterbury Justin Welby and his bishops are not faithful ministers of the Lord Jesus Christ. Do not be deceived.

They talk of Safeguarding, living in faith and love, as though they care for you yet at the same time give a wide open door to false teachers. This is what Peter warned us about in, 2 Peter 2:2, Where he says there shall be false teachers who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. 2 And many shall follow their pernicious ways.
