#### **Amendment**

I wish to make an amendment to my conclusions given in my talk during my presentation. My conclusions are that in my personal opinion I believe adultery, particularly where children are involved, is worse than Paedophilia and worse than homosexuality. In saying that I am not minimising the crime of paedophilia or the ongoing repercussions for the victims of Paedophilia or homosexuality.

Also that all sexual immoral acts are wrong, which include, fornication, adultery, homosexuality, bestiality and paedophilia, which are all wrong. None of which are just my opinions as the scriptures condemn all such actions. Also, to be clear, that the scripture teaches that there are degrees of evil and sinful guilt and so some people will receive a greater degree of punishment than others, for their sins.
