A modern Atheist is one who believes God exists, but denies His sovereignty in respect to creation, providence and the preservation of the Scriptures. These scriptures declare the divine purposes and attributes of God, such as:

The worldview <sup>1</sup>of such modern Atheists include a confession as follows: American Scientific Affiliation statement by Dr. Colin's Almighty God, who is not limited in space or time, created a universe 13.7 billion years ago, with its parameters precisely tuned, to allow the development of complexity over long periods of time. God's plan included the mechanism of evolution, that was his creative genius to create the marvellous diversity of living things on our planet, and that included most especially human beings, after evolution, over this long period of time.

1 Worldview

(noun) a particular philosophy of life or conception of the world. "a Christian world view revolves around the battle of good and evil"

It prepared a sufficiently advanced house ,the human brain, with all of its neurological complexity. Then God gifted humanity with something special that makes us different from all the animals, the knowledge of good and evil. The moral law, with free will, which is not an illusion. And with a soul we humans used our free will to break the moral law, that's what the story of Adam and Eve is all about, leading to our estrangement from God. For Christians like me Jesus is the solution to that estrangement that's it.

All of which I have sought to educate you with and against such Modern Atheism, but you reject most of what I say in connection with COVID, and others things, and the sovereignty of God in this affair.

I am saying that God sent Covid, for a reason, but you reject this, saying God could not possibly involved based upon your imperfect views of God. I am grateful for your objections to my assertion because it will enable me to address all these issues, if you are prepared to respond to my instruction, advice and questions that challenge your theological views.

It is written that the Church is the ground and pillar of the truth. Which I take to mean that the Church of the Lord Jesus Christ must be able to address all aspects of theological truth, such as we are discussing.

That is, God sent COVID, for reason. I have given you briefly why I maintain that and you have denied what I say to be true. And no doubt it is due to your unbiblical views in respect to what the bible teaches in connection with the predestination of all things and the providential care of his people, and the eternal purpose of the creation and works of God.

It is my observation that most Christians are deficient in knowledge, and are unable to deal with these issues, for various reasons. Also they are warned in the parables of Jesus not to be like the unwise virgins, unjust stewards or wicked servants, but be about the masters business. Laziness is not a virtue, and not rewarded, so I am encouraging you to study to show yourself approved as a good workman.

So, do as I asked and write an essay, informing me of what those scriptures are saying in those verses that I have brought to your attention Rev 18: 8, Rev 19:15. Lam 3:37-39, Heb10:31, Act 4:27,. Send a copy to Rebekah as I have just been informed today, she too has COVID, and now in quarantine.

COVID effects us all and an understanding of God and His purposes are really relevant for us today. This is not theoretical Christianity.

Like Noah, and the world wide flood, God is speaking to the world. What happened to those antediluvian people who ignored the preaching of Noah. COVID is World wide.
