To Whom It May Concern:

**Re: David Clarke.**

David started attending Hill Park Baptist Church over 12 months ago prior to lockdown. Before the pandemic restrictions, he attended our weekly bible study group as well as our Sunday services.

I am aware that he was a member at the Bierton Strict & Particular Baptist Church. I know also that he has been involved with ministry in the Philippines as he has shared videos of his ministry with me.

David has not become an official member of our church as yet. I cannot at this time think of anything that would prevent an application from him being accepted, pending the usual interview process.

Yours sincerely

Brian Rogers
