REGISTRATION OF TROJAN HORSE (TULIP) PHILS. INCORPORATED

Introduction

The ministry, of Trojan Horse International (TULIP) Phils. Incorporated, was registered with the Securities and Exchange Commission, and a Certificate of Incorporation was issued, on the 14th March 2003. The Corporation name was initially secured on the 11th February 2003.

The ministry was first called **Trojan Horse International Christian Ministries** and its President Lucas P. Dangan Jr. was commissioned in January 2002 to register the ministry with SEC. This failed to take place. In November 2002, Lucas P. Dangan Jr. Registered the ministry after a second attempt, but the Director was not satisfied with the details being submitted were inadequate for the purpose of the ministry. On this November occasion the Director with drew the application and sought the aid of Isagani M. Obispo Jr., who was the ministries paralegal secretary, to make a fresh application but this time the names of the founding Director was omitted for reasons un explained. It was revealed at a later date that unscrupulous men sough to deny the existence of the ministry, which was eventually registered to fulfil the mission intended.

The Chairman's verification certificate gives a clear statement as to the purpose of the ministry, which is "Setting Captive free".

CONCLUDING NOTE FROM DAVID THE AUTHOR

In **The Daily Diary** of Trojan Horse International (TULIP) Phils. Incorporated, the back cover suggests that this diary serves to demonstrate the proposition, that Jesus gave the command, to go into the entire world, and preach the gospel **in general and not spacific terms**. He did not say how the task was to be done.

David proports that the reason why no specific terms were given to go about this taske was because had Jesus given a detailed and specific schedule, to those who were to carry out this taske , it would have proved too daunting to them. So instead, He left the methods and practice open to the imagination of men , who had been renewed in their minds by the Holy Spirit, and with the directions of scripture; these would be led to do the work. By this means God would be glorified and often the carnal religious mind would be infuriated. It is only when one seeks to obey the camand that it is realised that wisdom, determination, courage, skill diplomacy, in fact ever skill that man has devised, in term of dealing with money, travel, visa permits, medical practices, local laes. Legal practices and customs are required.

This is not to say such men will not make mistakes, because it is a well know fact that **“He that makes no mistakes makes nothing”**.

Lessons are learned by mistakes and arm chair critics, who never rise from their comfort of their arm chair, are unaware that a ship can only be steared when it is on the move.
