[Ezra] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[Tommy] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[Tommy] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family continuously.

[Ezra] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.

[Tommy] Thanks, Ezra. Seven months in a maximum-security prison, surrounded by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[Tommy] Thanks, Ezra. Seven months in a maximum-security prison, surrounded by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[Ezra] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[Tommy] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[Tommy] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family continuously.

[Ezra] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.

[**Ezra**] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[**Tommy**] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[**Tommy**] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family continuously.

[**Ezra**] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.

[**Tommy**] Thanks, Ezra. Seven months in a maximum-security prison, surround-

ed by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[Tommy] Thanks, Ezra. Seven months in a maximum-security prison, surrounded by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[Ezra] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[Tommy] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[Tommy] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family continuously.

[Ezra] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.

[**Tommy**] Thanks, Ezra. Seven months in a maximum-security prison, surrounded by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[**Ezra**] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[**Tommy**] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[**Tommy**] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family continuously.

[**Ezra**] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting

down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.

[**Tommy**] Thanks, Ezra. Seven months in a maximum-security prison, surrounded by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[**Ezra**] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[**Tommy**] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[**Tommy**] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family continuously.

[Ezra] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.

[**Tommy**] Thanks, Ezra. Seven months in a maximum-security prison, surrounded by murderers and terrorists, in segregation—for a civil offence. I published a video on Twitter. Not even a criminal act—technically a civil offence.

[**Ezra**] Ezra Levant here in Luton, United Kingdom. I'm with Tommy Robinson. Earlier this morning, he got out of prison, where he was in solitary confinement for seven months.

[**Tommy**] I said thank you. I thanked Elon Musk. I want to thank so many people—Petersons, Tammy who tried to visit me in jail but wasn't allowed in. At the same time, they were cancelling all my visits.

[**Tommy**] Ezra Levant—I'm going to see him now. He's always had my back. Everyone needs a friend like Ezra from Rebel Media. He's helped me and my family

continuously.

[Ezra] Tommy, it's great to see you. You've had a bit of a shave and a haircut. We grabbed a bite to eat, and you said a quick hello to your kids. Thank you for sitting down with me. I'm keen to talk about your experience, terrible in many ways—but perhaps enlightening too.
