Dear David,

According to your request I would like to report on the work of our churches (BCCC Phis. Inc.) here in the Philippines and to offer my support with your application to The Association of Grace Baptist Churches Ltd, to resolve the difficulties relating to Bieron Strict and Particular Baptist Chapel, in the UK.

If it will help I am prepared to travel to the UK, to testify to the Association, confirming the ongoing work, that the Lord started, in August 2001, here in the Philippines, and as described in my testimony, [From Darkness Into His Marvellous Light.](#)

I also confirm that your book entitled [Converted on LSD Trip](#), was circulated and read, by prison inmates in New Bilibid Prison and that your articles of religion, for your Trojan Horse mission to the Philippines, which commenced in October 2001, are those of your Bieron Church, and as written in your book [Converted on LSD Trip](#).

I also acknowledge you came to us as sent minister from the Bieron Strict Church as the founding director of the Trojan Horse International mission to the Philippines and taught the doctrines of grace, as outlined in your

book [The Berton Crisis](#), and now published in [Let Christian Men Be Men](#).

(It would be helpful if you could write something like this, in your own words, as much or as little as you like, some thing like this)

The work here in the Philippines by the grace of God is developing etc, We have much to thank the Lord for and we give all the glory unto Him. If the Lord Will may be you could address our annual meeting of ex converted prisons and churches either this coming April or next year.

Yours in
