

WILLIAM POLOC PRISON EPISTLE

Dear William,

27th January 2021

OK I will strike a deal with you. I will seek the money for a laptop but I want you to do some thing in return :-)write an account of certain things as follows:

Write it as a prison epistle, in other words hide away and find the time.

Further to my request I would like you to share with me how you first approached the Baguio City Jail and Benguet District jails to get the authorities to get permissions to enter the prisons.

How you established the first church in Baguio who were its members and how many members were involved.

How you began to extend the work with other Christians in other places.

Do you have a written constitution of articles of religion to which senior men adhere too and have you appointed elders.

Tell me about your theological Institute and please outline the course work you follow and what you consider necessary to instruct your students.

Any further information that you fell may help me convey to others how you manage affairs.

PS. Tell me about any opposition or problems you face as I realise very few Christian groups in the UK, and abroad, are monergistic in their theology. In the UK were refer to monergism as the doctrines of grace.

1 Basic background.
